Response to a request for official information

[REDACTED]

Thank you for your request for official information received 20 April 2022 by Nelson Marlborough Health (NMH)¹, followed by the necessary extension of time 19 May 2022, where you seek following information.

- 1. I am looking to confirm the DHB's current staffing numbers in Marlborough, and compare that to how many are needed to be fully staffed? Can these figures broken down by department, and job title? Ideally the data would include both FTE hours and actual number of employees.**
- 2. Could you also provide the same data from April 2019 for comparison?**

NMH response:

Please see the attached spreadsheet with Marlborough staffing information. There are 254 job titles in 2022, and there were 204 in 2019. The Table includes full time equivalent (FTE) hours and actual number of employees for each job title and department, and FTE vacancies, for 2022 and 2019.
